- Hands-on Saw Bone Workshop**

Respected Seniors & Dear Colleagues,

After successful organization of IASCON 2023, we are prepared with K.G.M.U. ARTHROSCOPY CONCLAVE & 7th Cadaveric Workshop on 3rd & 4th of August.

This time, we have arranged for a wide variety of Cadaveric Demonstrations by stalwarts, of most advanced surgical procedures to tackle with difficult rotator cuff and other shoulder pathologies along with interactive Panel discussions on recent techniques & advances in the field of Arthroscopic Surgery with the Masters in their field. It will be a great opportunity for networking and to interact and collaborate with experts and fellow arthroscopy surgeons. Cadaveric Knee & Shoulder Workshop is tailored to provide best of arthroscopy experience & beyond to improve your skills & surgical confidence in knee & shoulder by practicing on frozen preserved soft cadavers under able guidance of experienced faculties with latest equipments & implants.

Dry model workshops will let you enhance your skills fearlessly.

Once again, get ready for the best of academics & hospitality of Lucknow as we the members of Arthroscopy Association of Uttar Pradesh along with the Department of Orthopaedics K.G.M.U look forward to welcoming you to engage in fruitful discussions & skill enhancement in the field of arthroscopy.
